

The Australian Careers College was established in 2007 and became registered the following year. We are a Commonwealth Registered (CRICOS-03029G) institution offering training courses suitable for international students and a Registered Training Organization (RTO-31642) offering nationally recognized qualifications to Australian residents.

Studying here will open up a whole new world of opportunities for you. You will not only gain a highly valued qualification but you will also build life-long friendships, create lasting memories and enjoy real-life work experience.

Our courses are Flexible, Self-Paced and Relaxed to assist you to make the most of your learning journey with us, you can choose a study mode that best suits your lifestyle and a well crafted face-to-face training in an intimate classroom environment.

We provide training and assessment in bachelor's pathway programs in various streams such as B.Tech, Business, Information Technology, and Hospitality Management. Many of our courses incorporate real-life experiences in the workplace preparing one to take on the corporate world head-on.
